LOOK BOOK 2022

COSI 2022 COLLECTION

COSI COLLECTION 2022

New season, new designs, new colours and new product types. These are the principles upon which the innovative Cosi collection 2022 is based. Cutting edge design and the application of new techniques combine to create a brand-new fire and heat collection for indoor & outdoor.

All products have been manufactured to help you make the most of your cherished time outdoors. Cooler temperatures often mean that people can't always sit outside whenever they feel like it. With Cosi you can now become less reliant on hot weather and extend the summer season with the warm and homely atmosphere, created by our products.

Whatever your requirements, thanks to our wide range of products, you will always find the Cosi that best suits you. When choosing your favourite Cosi item, function is just as important as style. For further technical information, specifications, including manuals, care and maintenance instructions please head to www.cosi-fires.com and follow us on Facebook and Instagram @[cosi_fires](https://www.instagram.com/cosi_fires).

Love Cosi!

INDOOR &
OUTDOOR

Follow us!

Great news! Our Cosiscoop gas lanterns can also be used indoors! Until now, we could only create an amazing atmosphere outside by placing the lanterns in the garden or on the balcony. Now, however, we can enjoy these unique lanterns all year round.

Do you prefer an industrial design or a more natural look? Is your home interior sleek or colourful? Cosi has the perfect Cosiscoop gas lantern for every interior. The Cosiscoop is available in various designs and colours.

The complete collection can be found on page 56-58

black / black marble look

COSIDESIGN LINE

The Cosidesign Line is a stylish fire pit with a marble-effect Dekton tabletop and a thin stainless-steel frame. The combination of these materials makes the fire pit extremely strong and durable. The tabletop with marble effect is available in two colours: black and white. The Cosidesign Line's sleek frame can

accommodate a gas tank with a maximum height of 40 cm. Place the fire pit next to your lounge set or outdoor furniture and let the flames keep you warm and cosy. The Cosidesign Line turns your outdoor area into the perfect place to enjoy extra-long evenings with friends and family, a bite to eat and some drinks.

COSIVISTA 120 & 160

CUTTING EDGE DESIGN

The Cosivista collection is unique when it comes to outdoor gas fireplaces. For instance, these fireplaces feature two glass walls, which means you can gaze at the flames from both sides.

The accompanying back panel can be used to close the Cosivista from one side, thus making it ideal for wall placing. The Cosivista 120 is able to house gas bottles with a maximum height of 40cm.

Cosivista 120
anthracite

Its bigger brother, the Cosivista 160, even has space for gas bottles up to 60 cm high. This means you can spend more time enjoying the wonderful heat provided by this gas fireplace.

Including back panel for wall-placing.

COSILOFT 120 ROUND

STYLISH
DESIGN WITH
ROUND
FRAME

Are you looking for a round fire pit for you, your friends and your family to sit around and have a good time? The Cosiloft 120 round is the perfect fire pit for you!

Cosiloft 120 round
white / teak

The Cosiloft 120 round is the latest addition to our Cosiloft fire pit range. This round fire pit has a black or white aluminium frame with a round teak tabletop.

COSILOFT LOUNGE TABLES

The Cosiloft lounge tables can be put together according to your taste. The Cosiloft 100 & 120 lounge tables have a beautiful, aluminium, open and white or black frame, and can be fitted with the tabletop of your choice: grey, black and teak. The Cosiloft 100 is the square lounge table of 100x100cm with a square burner. The Cosiloft 120 is rectangular and

has a size of 120x80cm and contains a straight burner. Each Cosiloft comes with a cover plate for the burner. Therefore, if you do not use the burner, you can use the entire table surface. This way you have more space for snacks and drinks. Enjoy spending time with your family and friends!

COSILOFT BAR TABLE

WARMTH AT A COMFORTABLE HEIGHT

The bar table is perfect for those who prefer standing, or you can combine the table with bar stools and enjoy a nice warm glow on your upper body and face. The Cosiloft 100 bar table will fit a gas cylinder of up to 11 kg.

The Cosiloft 100 bar table is available with a white or black frame, and a choice of various tabletops:

teak grey black

Cosiloft bar table

Different garden styles and different tastes. Cosi has wonderful products for every style and taste that will allow you to enjoy your indoor and outdoor spaces even more. For added effect, you can combine different Cosi items in your space!

The Cosi collection consists of a broad range of fire pits, gas lanterns, built-in burners, fire pillars, heating scatter cushions and wood stoves. Our comprehensive collection is guaranteed to include the perfect Cosi products for you!

SHOP THE LOOK COSIPURE

You can have even more enjoyment from your indoor and outdoor space by adding some attractive Cosi items! The Cosi fire pits can be placed next to your lounge set or outdoor furniture. Invite your friends and family and enjoy sitting around the welcoming fire of, for example, this Cospire. Place your Cosiscoop XL taupe gas lantern on a side table, light it and marvel at the gorgeous flame it produces.

Want to continue the fun late into the night? Use the Cosipillows to gently heat your back. These outdoor Sunbrella heating scatter cushions feature an infra-red heating element on the inside. The cushions will heat the muscles in your back, while you enjoy the atmosphere and heat of the Cosi fire pit in front of you.

If it gets too cold outside and you want to brighten up your indoor space, you can simply bring your Cosiscoop gas lantern and Cosipillow heating scatter cushion inside and continue your Cosi moment there. Just imagine how Cosi's lanterns would light up your home interior. We offer a comprehensive range, which means you will always find a lantern that suits your interior!

Cosipillow Knitted natural 40x60cm, Cosipillow Solid natural 50x50cm, Cosi square glass set L, Cosi table plate L, Cospire 100 white / teak, Cosiscoop XL taupe, Cosiscoop Bamboo.

COSIFLOW

PERFECT MATCH WITH
ALL OUTDOOR
FURNITURE

The Cosiflow series excels in its simplicity. The Cosiflow is available in two versions: one completely made of aluminium, the other a combination of aluminium and teak wood. Both versions are available in models square (100x100cm) and straight (120x80cm).

Due to its sleek design, the Cosiflow is ideal for any garden set. The Cosiflow will thus always match, whether you opt for teak, fabric or wicker furniture. There is an extra shelf below the Cosiflow table, which can be used for storage purposes. You can add extra accessories to your Cosiflow fire pit with a glass set and table plate.

Cosipure 100
white / teak

COSIPURE

STAND OUT IN
ANY OUTDOOR
SPACE

Whether you have a natural garden or a perfectly pruned one, the Cosipure in black or white can be combined with all garden styles.

The Cosipure has a robust aluminium frame in black or white and can be combined with a tabletop of your choice: teak, black or grey. This way you can choose the perfect combination to suit your garden! Gas bottles with a height of 40 cm can easily be placed inside the frame. Available in two sizes: 100x100cm and 120x80cm.

COSIBRIXX

ALLROUND BASICS

Do you want a Cosi fire pit but only have limited space to work with? Then the Cosibrixx 60 is right up your alley. This square model is the most compact model fire pit in our collection.

In the 2022 collection, the Cosibrixx 60 has appeared in a new colour. This fire pit is now available in anthracite, concrete look and taupe. Would you prefer a bit more space around the fire? Then opt for the Cosibrixx 90 in anthracite. All Cosibrixx items are made from aluminium to ensure a sleek look, which also makes them maintenance-free.

COSICUBE

The robust Cosicube is made from Douglas Wood and has a stainless-steel top plate, making it perfect for outdoor use. Its invisible side-hatch allows for gas bottles with a maximum height of 40 cm to be placed inside with ease.

The Cosicube is 70x70x58 cm and is available in two different colours. The Cosicube in grey wash is perfect for any natural garden. Is black the dominant colour in your garden? Then opt for the Cosicube 70 black to complete the stylish look.

Expand the fire pit with a Cosi square glass set M. If you place the Cosi table plate M on top of the glass when the fire is not burning, you have extra table space!

COSIBURNERS MAKE IT YOUR OWN

Do you already have a nice dining or coffee table and do you want to incorporate a gas fire into it? That's possible with one of our Cosiburners. The Cosiburner collection features two different built-in burners in two colours; black and stainless steel, meaning you will always find a model to suit your table. All built-in burners are delivered with a cover plate allowing the table to still be used normally when the burner is not in use.

The built-in burners are supplied with lava stones; wooden blocks and a glass set are available as options.

COSI BUILD UP

FREEDOM TO MOVE

Would you like to enjoy the atmosphere of a Cosi fireplace at other places in your garden? Then opt for the Cosiburner build up. This standalone burner can be placed on any garden table.

The Cosiburner build up includes lava stones and glass. This burner can be connected to all gas bottles.

COSISCOOP PILLAR

CREATE PIONEERING FIRE

These fantastic pillar-shaped gas fires will steal the show in any garden and on any terrace or porch.

The Pillar is available in two variations: stylish black and sturdy teak wood. With a 5 kg gas cylinder this pillar-shaped Scoop will provide you with about 70 hours of atmospheric light.

Cosiscoop Pillar

Cosiscoop Pillar
teak

INDOOR &
OUTDOOR

HOW TO USE A COSISCOOP

Hold the device upright while performing the following steps. Make sure that the control knob is turned off (OFF). Turn the black bottom ring clockwise out of the Cosiscoop. Then place the 190 grams gas cartridge upright in the black bottom ring.

Turn the bottom ring, including the gas cartridge, in the Cosiscoop. Turn until you cannot go further and hear a click. Ensure that the Cosiscoop is upright on a stable, non-flammable surface. Does the Cosiscoop come with glass and/or pebbles? Then place it on top of the Cosiscoop. The pebbles should not cover the burner.

Ignite the lighter (length at least 140 mm) while holding it close to the burner and only then turn the control knob open (ON). The Cosiscoop will start burning. A Cosiscoop burns for 5-6 hours on one gas cartridge.

To extinguish the Cosiscoop again, turn the knob completely to the right. Store the Cosiscoop in a well-ventilated area..

NATURAL MATERIALS & LOOKS

Are you looking for a gas lantern made with natural materials? The Cosiscoop Timber or Bamboo are perfect for you. With their teak or bamboo exterior, these lanterns add a beautiful natural touch to your garden or home interior. New additions to the 2022 collection are the Cosiscoop

Cement square and Cosiscoop Timber square. These square models will go very well with your sleek garden or home interior. You can easily click the glass panes into the body of these robust lanterns.

WHICH
COLOUR
SUITS YOU?

COSISCOOP BASKET

LANTERN
IN THE
SPOTLIGHT

The Scoop Basket is not an accessory but a statement. Striking because of its threaded steel coat, it's a real eyecatcher on your indoor or outdoor table. The Cosiscoop Basket creates atmosphere, cosiness and romance.

The Basket high is a stunning stand-alone object. This scoop differs slightly from the Basket. For instance, this lantern features a glass panel and a stand-alone frame, which means it is perfect for placing anywhere in your indoor and outdoor space.

COSISCOOP DOME - URBAN

UNIQUE ATMOSPHERE ANYWHERE

The Cosiscoop Dome has everything you may expect from a deluxe lantern; a sleek and stylish design in two modern colours, namely black and white.

Are you looking for a sturdy version in a combination of materials? Then the Cosiscoop Urban is really something for you. The use of teak in combination with black or white metal means the Urban is always the perfect choice.

Cosiscoop Urban
white

Cosiscoop Dome
white

COSISCOOP ICONIC

ON THE GO

The Cosiscoop Iconic is a rugged metal gas lantern with a lid. The Iconic is the smallest Scoop in our collection, so you can easily bring it along with you.

When the Iconic is turned off, you can place the metal lid on top. Even when you're not using it, it will be a true eye-catcher in your indoor and outdoor space.

COSISCOOP DROP & CEMENT

DROP IT LIKE IT'S HOT

Are you really looking for something special? Then opt for the Cosiscoop Cement. The base is made from concrete, which gives this lantern a robust look. The pillar-shaped glass surround gives the Cement a luxurious appearance.

The round openings in the design of the Cosiscoop Drop distribute the light beautifully. Thanks to its slim handle, you can easily carry or place this lantern anywhere.

COSIPILLOW

INDOOR & OUTDOOR USE

Cosi's heating scatter cushions are provided with an infrared heating element and they're made of high quality Sunbrella fabric. Due to this material the scatter cushions are UV, colour and mould resistant which makes the Cosipillows suited for indoor as well as outdoor usage.

All Cosipillows are eco-friendly, since the scatter cushions warm up your body directly without losing heat into the (outside) air.

COSISTOVE

WOOD BURNING FIRES

A crackling wood fire on your patio – what could be cosier than that? Create a relaxed atmosphere in your garden with one of our stunning Cosistoves. The flames are produced by real wood, which creates a nostalgic and relaxed atmosphere. You can install a smoke duct, which carefully extracts the smoke. Cosi's collection also features a ready-to-use package with a smoke duct connector. These complete packages are suitable for verandas with flat or sloping roofs.

Cosistoves are complete wood stoves that are suitable for indoor and outdoor use and should ideally be placed under a canopy. The stoves are made from steel and after standing outside for a long time, could show minor signs of corrosion, which adds to the character of the stove.

**excl. Cosiscoop Basket, Drop, Urban & Iconic

HEATING SCATTER CUSHIONS

Heating capacity: 38°C / 45°C / 50°C
Consumption: 12 W
Battery life: High ± 2 hrs / Low ± 5 hrs
Included accessories: rechargeable battery, charger

FUELS

A conscious decision has been made to only produce Cosi fire pit tables for propane and not for natural gas. Propane is, in fact, one of the cleanest fuels when it comes to CO2 emissions. The bio-propane variety is even 100% sustainable.

KIWA/GASTEC

All Cosi fire pit tables and lanterns are comprehensively tested, inspected and certified by KIWA and feature the CE and UKCA label. This means Cosi is synonymous with high quality and safe products.

MATERIALS AND CARE

TEAK

Cosi uses teak that features the SVLK label. Teak will start to lose colour if it is placed outside. If you want to retain the original teak colour, we advise you to treat your teak furniture with a teak protector.

Teak is a natural product and is subject to continuous change; it can thus develop small tears and some planks may deform slightly.

BAMBOO

Bamboo is fully degradable and thus does not pollute the environment. Bamboo is an ecologically responsible product because it is a fast-growing grass and can be harvested more frequently. Special bamboo oils and colour restorers are available for maintaining bamboo.

ALUMINIUM

powder coating aluminium has now become very popular. Coloured powder coating provides an extra protective layer. Aluminium is perfect for outdoor use because it has a long life-span, requires little maintenance and is easy to recycle. Aluminium can also be easily cleaned with hot water and mild cleaning products.

DEKTON

Dekton is an ultra-compact and high-grade material made from elements such as porcelain, glass and quartz. It can withstand being left outside all year round. Dekton is UV-, scratch- and stain-resistant and easy to clean with warm water and a neutral soap.

STAINLESS STEEL

Stainless steel is highly weather-resistant and is often used by Cosi in assembly materials as well as frames and table tops. Stainless steel can encounter signs of surface rust. However, they can be removed with a stainless steel cleaner.

GLASS

All glass sets for Cosi fire pit tables are made from hardened glass. This means the glass has been heated to ca. 650 degrees Celsius and then cooled again. This cooling process makes the glass up to 5 times harder than regular glass, and less susceptible to tears and breakage.

TEXTILE

The Cosipillows come with Sunbrella cushion covers. The Sunbrella fabric is colourfast, anti-fungal and water-resistant. These fabrics also feature the OEKO TEX label. All Cosipillow covers can be cleaned in a washing machine. When doing so, please follow the care label on the inside of the cover.

COVERS

You can protect your Cosi fire pit or pillar by using a protective cover. The covers are made from a PE fabric. Only cover the Cosi once the fire pit table has cooled off and is dry, in order to avoid moisture-related damage. Also remove stagnant rainwater from the cover and regularly aerate the fire pit table by removing the cover. Teak should

not be covered continuously; that is why Cosi recommends not using a protective cover for teak items.
